Dear Mr. Ward:

On behalf of the U.S. Department of Veterans Affairs (VA), Center for Verification and Evaluation (CVE), I am writing to inform you that your application for reverification has been approved. VIP Special Services LLC will remain eligible to participate in Veterans First Contracting Program opportunities with VA as a verified Service-Disabled Veteran-Owned Small Business (SDVOSB).

This verification is valid for three (3) years from the date of this letter. Please retain a copy of this letter to confirm VIP Special Services LLC's continued program eligibility in accordance with 38 Code of Federal Regulation (CFR) § 74.12. You may reapply 120 days prior to your new expiration date by logging into <https://www.vip.vetbiz.gov/>.

To promote VIP Special Services LLC's verified status, you may use the following link to download the logo for use on your marketing materials and business cards: https://www.vetbiz.gov/cve_completed_s.jpg. In addition, please access the following link for information on next steps and opportunities for verified businesses: <http://www.va.gov/osdbu/verification/whatsNext.asp>.

While CVE has confirmed that VIP Special Services LLC is presently, as of the issuance of this notice, in compliance with the regulation, VIP Special Services LLC must inform CVE of any changes or other circumstances that would adversely affect its eligibility. Eligibility changes not reported to CVE within 30 days could result in a referral to the Office of Inspector General (OIG), a referral to the Debarment and Suspension Committee, and the initiation of cancellation proceedings—all of which could result in VIP Special Services LLC being removed from the VIP Verification Program.

Please be advised all verified businesses may be required to participate in one or more post-verification audits at CVE's discretion. Additionally, this letter and other

*"World Class Professionals
Enabling Veteran Business Opportunities by Protecting the Veteran Advantage - One Vet at a Time"*

information pertaining to VIP Special Services LLC's verification application may be subject to Freedom of Information Act (FOIA) requests. However, FOIA disclosures include exceptions regarding the personal privacy of individuals, and VA policy similarly provides limitations on the release of individuals records.

If VIP Special Services LLC receives a negative size determination from the U.S. Small Business Administration (SBA), CVE must act in accordance with 38 CFR § 74.2(e). Also note, if at any time VIP Special Services LLC discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request SBA conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in VIP Special Services LLC being removed from the VIP Verification Program.

Thank you for your service to our country and for continuing to serve America through small business ownership.

Sincerely,

A handwritten signature in black ink that reads "Thomas McGrath". The signature is written in a cursive style with a large, looping initial "T".

Dear Luke Ward:

Welcome to the HUBZone Program. I am pleased to advise you as that effective December 21, 2009 your application for certification as a "qualified HUBZone small business concern (SBC)" has been approved. Your firm is now eligible to receive HUBZone contracting opportunities, and will be included in the listing of qualified HUBZone small business concerns found on the Internet at <http://www.sba.gov/hubzone>. To apply for HUBZone Program certification, your firm had to be registered in the Central Contractor Registration/SBA Supplemental Page Information (CCR/SBA Supplemental Page Information) systems. For your firm to receive benefit from the HUBZone Program, that is, to be identified by contracting officers as eligible to receive HUBZone contracts and to be paid under any such contracts, it is essential that you update your CCR/SBA Supplemental Page Information records at least annually. If you need assistance in updating your CCR/SBA Supplemental Page Information, please contact the CCR Assistance Center at 888-227-2423 or 268-961-4725, or the SBA Supplemental Page Information Help Desk at PRONET@SBA.GOV.

If there are material changes in your firm such as, change in ownership, business structure, failure to meet the 35 percent requirement or, principal office location, you must notify the AA/HUB of these changes by sending an e-mail to hubzone@SBA.GOV. If you have a change in firm point of contact, telephone number, e-mail address or mailing address, please go to www.sba.gov/hubzone and select the Update Your Contact Information link. If at any time you feel that your concern no longer qualifies for the HUBZone Program and you wish to complete a 'Voluntary Decertification Agreement' simply click this link for the 'Voluntary Decertification Form' or copy and paste this URL in your browser's address bar https://eweb1sp.sba.gov/hubzone/Internet/general/dsp_apps_voluntary_de-certification_form.cfm.

Although your concern was approved under the North American Industry Classification System (NAICS) Code found in your firm's Small Dynamic Business Profile (SDBS) and the Central Contractor Registry (CCR) Profiles, this does not prevent your concern from being awarded contracts under other NAICS Codes, as long as the concern is qualified to and eligible as a small business. In this regard, please note that you are responsible for researching and identifying potential contracts that may be available through the HUBZone Program. However, the SBA can assist you in this effort through our Government Contracting web-site at www.sba.gov/GC. This site provides a wide array of valuable Federal contract marketing material, including identification of specific contracting opportunities and points of contact at SBA and Federal acquisition agencies. I encourage you to make full use of the very valuable information on this web-site. Also, although your status as a certified HUBZone concern greatly improves your access to Federal contracts, this certification does not guarantee contract awards. Your ability to research opportunities and bid competitively will be the key to your success in this program.

In addition to welcoming you to the HUBZone Program, I would also like to supply you with this helpful link to a useful contracting tool. It is the U.S. Small Business Administration's e-learning course "Steps to Accessing Contracts & Subcontracts." The purpose of this course is to provide 7(j) eligible business owners and this is a group that includes HUBZone certified small business concerns - with the keys to success for developing strategies to expand their markets to the Federal contracting sector. Through this course you will learn about:

1. Extensive business opportunities that exist with the Federal Government
2. Strategies for selecting specific products or services to market to the Federal Government and how to find potential government customers
3. How the Federal Government procures products and services, and strategies for winning contracts
4. Managing a contract once it is awarded and building a solid performance record for your company

Also please be aware that information about the SBA's Surety Bond Program is available by selecting this link www.sba.gov/osg.

Sincerely,
